

The image features a black and white graphic. In the upper left, the letters 'CMS' are written in a large, bold, serif font. Below and to the right of the text, several thick, black, curved lines originate from the bottom left corner and sweep upwards and to the right, resembling particle tracks or magnetic field lines. These lines are set against a background of thin, concentric circular arcs that are centered on the left side of the image. The entire composition is enclosed within a thin black rectangular border.
